EX PARTE

Ms. Marlene Dortch
Secretary
Federal Communications Commission
445 Twelfth Street, S.W.
Washington, D.C. 20554

**Re: WC Docket No. 02-314 – Application of Qwest
Communications International Inc. for
Authorization to Provide In-Region, InterLATA
Service in the States of Colorado, Idaho, Iowa,
Montana, Nebraska, North Dakota, Utah,
Washington and Wyoming**

Dear Ms. Dortch:

Qwest Communications International Inc. ("Qwest") hereby responds to a request by FCC staff for certain information regarding the PSON/LSR mismatch rate for manually-handled orders.

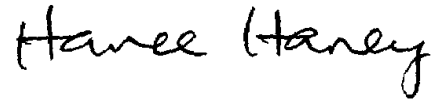

The PSON/LSR mismatch rate for manually-handled orders from Sept. 15, 2002 to Oct. 15, 2002 is as follows:

4.49%
(35/779)

As requested, the numerator includes the number of Eschelon calls to report a PSON/LSR mismatch condition and the denominator includes the number of Eschelon UNE-P and Resale manually handled LSRs, as determined by PO-5B.

The 20-page limit does not apply to this filing.

Respectfully submitted,

A handwritten signature in black ink that reads "Hance Haney". The script is cursive and fluid, with the first name "Hance" and last name "Haney" clearly distinguishable.

Hance Haney
